

FERNANDEZ NATIONAL SERVICES

F A C I L I T Y S U P P O R T

COMPANY OVERVIEW

Fernandez National Services LLC (FNS) is a HUBZone-certified, minority-owned small business delivering exterior and interior facility support services to federal clients. With expertise in building operations, facility condition assessments, wet utilities, stormwater drainage/BMPs, and more, we provide responsive, trustworthy, and cost-effective solutions. Our one stop service model allows clients to streamline contracting needs that encompass inspections, janitorial, landscaping, repair/replacement of assets, and maintenance, to name a few. Our focus is to provide dependable service delivery on time, on budget, and with integrity.

CORE COMPETENCIES

- Facility Support Services – Janitorial, landscaping, and single-trade facility operations.
- Building & Infrastructure Services – Facility condition assessments, building inspections, water/sewer line support.
- Consulting & Environmental Compliance Services – Regulatory guidance, ESC/SW inspections, program optimization, BMP construction/maintenance.
- Operations and online classroom management

DIFFERENTIATORS

- Rapid response and flexible small-business execution.
- Multi-trade “one-stop shop” for facility operations (interior + exterior).
- Transparent, trustworthy, and collaborative delivery model.

RELEVANT EXPERIENCE

- Joint Base Andrews – 316th CES (Optimization & Requirements): Supported federal facility optimization and operational readiness of RP/RPIE.
- Fairfax County DPW WDCD – Design review and construction/project management of wastewater sewers.

SBA CERTIFICATIONS

- HUBZone Program
- Minority Owned Business
